CODE OF CONDUCT

REGISTRATION

Starting from 2014 FurDU is an 18+ convention meaning that no minors can attend unless they are accompanied by a parent or legal guardian. Parents/Guardians attending the convention will also have to register for the duration that they will be at the convention. Appropriate ID is to be shown to complete your registration and acquire your con badge. Please be prepared to show your badge any time you need access to convention space or events - it identifies you as a fully-paid attendee of the convention.

BEHAVIOUR

We hope that each attendee enjoys the fun that our wide-ranging community can provide, but please consider how your actions reflect on the convention and how this may impact or affect others. FurDU likes to present itself as a professional convention and to this effect, if FurDU becomes aware of any of our attendees engaging in illegal activities, either in convention space or in private hotel rooms, we will be forced to take action and inform the proper authorities.

Keep in mind that there are always other guests of the hotel, especially in the lobby area. We encourage that courtesy from all participants in our community. Safety and security matters are the responsibility of the individual. It is expected that you behave in a way that is safe for you and those around you at all times. Anyone who puts themselves or anyone else in danger will be asked to leave. Whilst FurDU will do all it

can to ensure your safety, FurDU is not responsible for any harm done to yourself or others. If you feel there is a security or safety threat that has not been addressed, please notify the staff immediately. Use your common sense in public areas. If you have to ask or think twice about doing something in public, don't do it! For example; kissing and holding hands regardless of sexual orientation are fine. Groping, tongue battles and nudity regardless of sexual orientation are not. While collars and leashes may be worn discreetly, blatant displays of bondage or BDSM in public are not acceptable. We ask you to always wear at least a shirt, shorts and appropriate footwear in the public areas of the hotel.

No means no! Stop means stop! Go away means go away! If someone won't understand these simple rules, contact a member of staff. Harassment of any type will not be tolerated. This includes; Unwanted physical contact, following someone in a public area without a legitimate reason or threatening physical violence. An offender may lose their badge and if it calls for it the matter may be referred to the proper law enforcement authorities. Due to the potential damage to property, water guns, silly string and the like are prohibited in all areas of the hotel or convention space. Any vandalism of FurDU, an attendee or the hotel's property will not be tolerated. FurDU requests that patrons treat all property with respect, security and care. FurDU is not liable for any property that is lost, damaged or stolen.

CODE OF CONDUCT

CONT'D

DEALERS' TABLES

It's the responsibility of the seller to ensure all adult related material is appropriately censored and not sold to minors. The seller must also ensure all of their cash and goods are looked after and stored in a safe location at all times. FurDU and the hotel take not liability for the loss of merchandise or money.

DRUGS AND ALCOHOL

FurDU has a zero tolerance policy on illicit drugs and underage drinking. If you are hosting a room party it is your own responsibility to ensure that minors are not in the possession of alcohol. FurDU encourages responsible drinking and you should too, try not to drink too much in one night to avoid a nasty hangover. If you feel that someone is doing something wrong don't hesitate to contact the con staff.

PHOTOGRAPHY AND FILMING

When photographing or videotaping individuals or costumes, please use common courtesy and ask beforehand. Please respect their rights if they do not wish to be on camera. If someone asks or otherwise indicates make the best effort possible to keep them out of shot. On the flip side if you do not want to be filmed/photographed please make an effort to inform those with a camera. If something

is being filmed or a group photo is being taken use common sense and move out of shot. Attendees should be aware that footage gathered by staff members in public areas of the convention including events and panels, maybe used in a highlights take and that they may appear in that tape without prior approval. FurDU reserves the right to use any film or video taken at the convention for non profit promotion of future FurDU conventions without permission.

GHOSTING

FurDU has a zero tolerance policy on ghosting. If you are caught trying to or attending an event without your own legitimate badge you will be banned from attending another FurDU convention indefinitely. Anyone caught sharing a badge with someone else will have their badge removed and face similar consequences.

Any further attempts to attend an event after your badge has been taken will result in the proper authorities being contacted and a permanent ban from any FurDU convention hereinafter.

By registering for FurDU you agree that you will abide by the code of conduct as stated above. FurDU reserves the right to remove any attendee from the convention for any reason. This policy is subject to change at any time.
